NEW VOYAGE COLLECTION

OCTOBER 2026 – APRIL 2027

Explore new horizons on board a Cunard Queen, with this new collection of itineraries featuring unique experiences such as celebrating the Carnival festival in Rio de Janeiro or ringing in the New Year in Amsterdam. Complemented by Cunard's signature White Star Service, these voyages visit some of the world's most mesmerising destinations. Choose from an epic Full World Voyage across five continents, or soak up the sun while cruising the Caribbean's turquoise waters.

On board, tailor your days to suit your mood, whether that's sleeping in and relaxing in the spa, engaging in enriching Cunard Insights talks, or enjoying games out on deck. Dress up for glamorous Gala Evenings in the Grand Lobby or opt for a casual time at the Golden Lion, playing darts and enjoying classic fish and chips. Stay active with on-board fitness classes or recharge effortlessly beside the pool.

When your journey ends, you might find yourself fondly recalling the Northern Lights in Norway or your adventure to Machu Picchu. Maybe you will try your hand at cooking the aromatic tagine you savoured in Morocco. With a world full of destinations to explore, consider where you'll be sending your next postcard from on a holiday with Cunard.

THE CUNARD FLEET

From iconic cities to lesser-known shores, now is the time to explore all corners of the world.

QUEEN MARY 2

On board Queen Mary 2, you're welcome to choose your own adventure - and she will offer plenty to choose from. The iconic ocean liner invites you to indulge on board as you discover ports across the Caribbean and Europe, whether that's on a short break or an extended voyage. This Cunard Queen is certainly worthy of her flagship status.

WHAT THE BOLSOVER CRUISE CLUB TEAM LOVES ABOUT CUNARD

“I stayed in a fabulous Princess Grill Suite and particularly liked the facilities offered to everyone staying in Queens and Princess Grills on board Queen Anne. The exclusive dining venues epitomise luxury; their light and airy décor creates an inviting ambience, setting the stage for an unforgettable dining experience.”

MICHAEL WILSON,
MANAGING DIRECTOR

“Queen Mary 2 blew me away. She’s a unique ship in how she has been built but also provides a very unique experience on board. The sheer variety of activities and entertainment is unbelievable, and in between that, you’re treated to the most stunning of onboard facilities and decor, best-in-class dining and a level of service that would give some of the six-star cruise lines a run for their money.”

DANNY,
MARKETING MANAGER

“As my very first cruise, I have to say I was amazed by everything Queen Victoria had to offer. I must admit that I didn’t quite know what to expect, but this was an amazing ship, and not too big. From the moment I stepped on board, I was made to feel so special by all the staff, and I had such an amazing time experiencing everything from the exceptional food to entertainment.”

LIBBY,
CRUISE & STAY EXPERT

“Queen Elizabeth is every bit as majestic as I’d hoped - she is filled with everything you would expect from a Cunard ship, and a whole lot more. Standout moments from my time on board included the traditional white-gloved afternoon tea in the Queens Room, and the Gala Evenings which were full of glitz and glamour. There are so many spaces to enjoy a quiet moment, and the incredible outdoor areas are perfect for soaking up the scenery.”

JOSEPH,
TRAINING SUPERVISOR
